

WCPL eReader Policy & User Agreement

The goal of the WCPL eReader program is to offer Washington county residents an introductory eReader experience so that readers may make informed decisions when purchasing an eReader. This test experience will allow library patrons to decide whether this new technology delivers reading in a way that fits their needs and lifestyle.

The WCPL owns 3 Kindle Paperwhite eReaders that are available on first come first served basis. To reserve an eReader, call the library to schedule an appointment to learn about eReader privileges. You may reach the library by calling (251) 847-2097 or by emailing the library at info@wcpls.org.
